

## Legal Conflict of Interest Report

Arbitrator: Marc Isserles

Lawyer: Jennifer Bonjean

Generated: 2025-04-24 02:36:59

Conflict Level (Green), Explanation, Key Evidence:

The conflict level between the Arbitrator (ICC) and Lawyer is Green. This conclusion is based on the fact that neither party directly works together or has any significant financial ties (Key Evidence: Both parties are affiliated with ICC in a professional capacity but do not hold positions of direct work or financial management). Furthermore, there is no repeated appointment history nor shared organization involvement over the past three years (Key Evidence: No such information provided indicates indirect bias). The only potential point of contact is their mutual association with ICC, which can be considered minor social/professional contact.
